

# How to Join a video call in Teams

Go to the team where the call is being held.

You will see the video icon under the Team name to show you that the call is live.

To join this call, you just need to click on 'Join'

Now you get the option to turn on or off your web cam and microphone (these can be turned on or off at any time during the call)

Once happy press "Join now" to join the call
