# Welcome to City College Peterborough and our Course Guide

**With the start of a new academic year looming, it's time to reflect and think about what you want to do next and consider those next steps and there is plenty to choose from.**

Here at City College Peterborough, we feel it is important to support the wonderful people and diverse communities in Peterborough, providing a range of courses which can develop your skills, make you feel more confident in your day-to-day lives, and support with your general wellbeing.

As well as being able to study at the college we also like to see what we can do to support our communities, and this includes our non-educational projects including our new School Uniform Hub at our Brook Street Campus. The hub has been set up to encourage people to recycle their children's school uniforms, helping the planet and keeping the pennies in your pocket. You can donate any uniform your children have grown out of and pick up any items you need completely free of charge.

What you think is also important to us and please do feel free to share your ideas with us into what else we could do or what we can do better.

So now could be an ideal time to come and talk to us at City College Peterborough to find out how we can support you. You may want to learn a new skill that helps you get promoted at work; or you may wish to learn something to keep your mind active; do you want to learn a new craft, one that you do for you, your family or maybe start up a business, or find out more about money management and budgeting.

We offer a range of inclusive courses in a friendly environment at different venues, times, and dates, so please come in and talk to one of our customer experience advisors who will point you in the right direction and answer any questions.

I look forward to seeing you at one of our sites and if you can't find what you are looking for, please do let us know.

# 11 English for Speakers of Other Languages (ESOL)

Hey language learners, listen up, I have some exciting news for you. If you want to improve your English skills, City College Peterborough is the perfect place for you.

We're the biggest ESOL provider in Peterborough, and we have a great reputation - more than 85% of our students come to us because their friends and family recommended us.

We offer courses, free of charge, that will help you in both your personal and professional life, and we can customise them to fit your needs. And the best part is, most of our courses lead to qualifications that are recognised not just in the UK, but all around the world.

So don't wait - come in for an assessment and find out what level your English is at. Contact us at 01733 761361 and let us help you take your language skills to the next level.

"I started my journey with ESOL course one year ago. I am glad I made that decision to change something in my life. The course has opened new doors for me. I no longer feel scared to talk with anyone in English.

My confidence has grown and I realised there is no shame in asking for help when I don't understand. I am really proud of myself for taking this step to better life. If you are worried about still not speaking English as well as you could, stop finding excuses. Don't be afraid and step forward to better English".

# 15 Important Information

## Fees & Payments

Payment of your chosen course(s) is as follows:

1. **INDIVIDUAL COURSE FEE UP TO £100 (after concession)**
  - 50% payment must be made at the time of enrolment.
  - 50% payment must be made before course commencement.
2. **INDIVIDUAL COURSE FEE £101 AND ABOVE (after concession)**
  - 25% payment must be made at the time of enrolment
  - Followed by three monthly payments of 25% each from course commencement.

Please note the learner is liable for the full course fee after course commencement regardless of when they leave the course and irrespective of the payment method. You can ask for a refund given the cancellation is made 2 weeks before course commencement. This does not apply for short courses fewer than 2 sessions where the fee is non-returnable.

The service reserves the right to request full payment at the time of enrolments. It is important that you make the payment(s) by the date(s) stated to secure your place on the course and for you and fellow students to benefit from this facility. If you have difficulty paying larger amounts in one payment, please contact our Customer Service team on (01733) 761361 or in person at City College Peterborough in Brook Street. For some courses that result in a qualification there may be an exam entry fee to pay. Please check at the time of enrolment.

On some practical courses, there may be a small charge for materials. You will be advised of this at enrolment.

**Note:** For learners who fail to sit a scheduled exam or fail to submit required material in line with the awarding body and centre requirements or those wishing to take a resit exam after the course has finished will be charged the exam fee where applicable. A list of charges can be obtained from reception.

## Personal Interest Courses – Full Cost (not attracting government funding)

These courses will be charged at a rate determined by City College Peterborough. We reserve the right to amend fees from time to time to reflect market rates. There is no concessionary fee available on Full Cost Courses, unless you are over 60 years of age and unwaged where you will receive a 20% reduction of the course fee.

Minimum numbers of learners on courses will apply to ensure these courses remain financially viable. Decisions to run courses based on learner numbers are made up to 2 weeks before the start date. If numbers are low, courses may be cancelled, and you will be issued with a full refund.

Learners/Employers are responsible for 100% of the cost of the course and will not receive or be eligible for any government support; including travel, childcare, adaptations or additional learning support. The eligibility criteria for government funded courses does not apply, although learners must be aged 18 and over.

## Level of Funding

The level of funding available to a learner is dependent on the ESFA's Funding Rules, which can be obtained from reception.

1. Learners who are eligible for full funding from the ESFA will not be charged a fee for the course, including exams, resources or awarding organisation registration and fees. City College Peterborough will meet the cost of the course from the government funding received.
2. Learners who are eligible for co-funding as specified by the ESFA will be partly funded by the ESFA with an additional contribution being paid by the learner or employer. Our published fees assume learners are eligible for co-funding. Where learners do not meet the eligibility for funding requirements, the actual fee payable will be higher than our published fees.
3. Managers reserve the right to waive learner co-funded fees in some situations and this may be extended to our sub-contracted delivery e.g. where this will enable more learners to access the learning they need.
4. Learners who do not qualify for funding are responsible for 100% of the cost of the course and will not receive or be eligible for any government support; including travel, childcare, adaptations, or additional learning support.
5. We will not fund a learner to repeat the same regulated qualification where they have previously achieved it unless it is:
  - a. the requirement of an apprenticeship
  - b. for any GCSE where the learner has not achieved grade C, or 4, or higher

## Refund Policy

Automatic refunds will only be given on the following grounds:

1. If the course is cancelled by the Service
2. The learner cancels their place on the course not less than 14 days before the commencement date. Please note: The Policy does not apply to short courses of fewer than 2 sessions, e.g. Saturday courses, where no refunds will be given.
3. The learner withdraws from a course due to illness and can produce a doctor's certificate.

All non-automatic refund/credit requests must be made in writing to the Curriculum Manager and authorised by the Principal.

All refunds are made according to how payment was originally received.

Refunds in cash always require an identification check of the refundee.

Refunds for leaving a course due to a learner's medical condition will only be given on proof of a doctor's certificate. The learner will receive a proportional refund of the fees paid in relation to the number of classes remaining. The refund will be dealt with from the date the doctor confirms the learner's medical condition.

## Equality, Diversity & Inclusion

We take equal opportunities, diversity and inclusion very seriously here at City College Peterborough. We pride ourselves on offering equality of access and opportunity to all learners and employees regardless of ability, age, sexual orientation, marital status, disability, ethnic origin, race, gender, health, offender background or previous education. If you would like to know more about City College Peterborough's Equal Opportunities Policy, please contact us to request a leaflet dedicated to the subject.

## Safeguarding and the Prevent Duty

The College has a statutory and moral duty to ensure that all learners and supported people are safeguarded and protected from all types of harm, abuse and radicalisation. The College has a Safeguarding Policy reviewed annually by the Governing Board. Julie Bennett, Head of Service Operations, oversees the College's Safeguarding & Prevent duty. If you have any worries about your own or another person's welfare or safety or wish to report abuse, you can speak in confidence to one of the College's designated people for Safeguarding. Contact (01733) 761361 and ask to speak to a Designated Person.

## Information, Advice & Guidance

If you feel you need any help in choosing a course, support during your studies or guidance on where to go next, our trained staff will be happy to help you. Simply contact us today and we can either discuss things via a telephone conversation with you or we can arrange an in-person meeting with you. We can also offer one-to-one appointments for free information and advice or guidance. If you are thinking of returning to work after a break, changing career direction or need an opportunity to discuss your learning or training needs in more detail then please contact our IAG (Information Advice and Guidance) Advisor by calling (01733) 761361 to arrange an appointment.

## Learning Support

City College Peterborough offers learning support funds to assist with cases of hardship related, for example, to childcare (for those aged 20+) and transport, according to ESFA and CPCA regulations. This is only for learners on government funded provision and is subject to eligibility and availability of funds. Our policy is published and can be obtained from reception.

We will make every effort to provide specific support or equipment to meet your needs. Below are some examples:

- Individual hearing loops (for learners who wear hearing aids)
- Arrangements for audio and visual equipment in the classroom
- Worksheets produced in large text
- Coloured overlays or handouts on coloured paper
- Adaptive technology for computer courses e.g. adapted mouse, keyboards, and specialist software
- A Learning Support Assistant, Volunteer or Signer to assist you
- Arrangements with exam boards for support and/or extra time.
- Learning support can usually be arranged to meet the individual needs of learners before enrolment. If you want to discuss learning support, please contact our Customer Services Team on (01733) 761361.

## Advanced Learner Loan 19+

If you're over 19 years of age and have been living in England for at least three years, you may be eligible for an Advanced Learner Loans to enrol onto level 3 or 4 courses without having to pay a lump sum or a large upfront fee.

For further information about the criteria and how to apply for a loan, check out the government's website: [www.gov.uk/advanced-learner-loan](https://www.gov.uk/advanced-learner-loan)
